Miniature Christmas Winter Wonderland

**The Xmas Designers create unique Christmas concepts,
from extremely big up to very small.**

The miniature Winter Wonderland villages are every kid's dream,
for small kids and big kids! :)

With this information sheet we want to inspire you with the endless possibilities; from
customized elements up to shapes and sizes that can be adapted to any location.

Think of covering a center table, perhaps the reception desk
or a plateau around the center Christmas tree.

For many Christmas years to come

Every Miniature village will be made on plateaus of +/- 100cm L x 100cm W and delivered in high-quality flight cases, which can be used for storage after display.

Custom Design; every Winter Wonderland is unique

To exceed the expectations and make each village a unique Christmas center point, we add customized moving elements, to make each village a true feast for the eyes and the ears.

Branded items

Depending on the brand we will add some surprising elements to the village, that will create brand awareness in a funny and eye-catching way. Think about a slogan or logo on the train carriages, logo's on top of the attractions, or logo in Broadway letters at the top of the mountain.

We can also add customized miniature buildings that give a unique local touch or relate to the building or Christmas decoration of the hotel.
